

SALES ENGINEERS, LLC ARIZONA

www.camcorpinc.com

CamCorp™

CamCorp is a Manufacturer of Dust Collection Systems for the Mining, Power, Food, Pharmaceutical, and Cement/Aggregate Industries. Other system capabilities are Pneumatic Transfer Systems, Cyclones, and Complete Integration .

www.mccordconveyor.com

McCord Conveyor Systems, LLC™

McCord Conveyors Specializes in Custom Belt Feeders and Belt Conveyor Systems for the Mining, Power Recycling, and Cement/Aggregate Industries

www.stancoprojects.com

Stanco Projects, LTD.™

Bulk Chemical storage and handling for Municipal Water Treatment. Acid Waste Neutralization, Sludge Dewatering and Detoxification, and Flue Gas Desulphurization. Serving Mining, Water, and Industrial Industries.

www.magnetics.com

Industrial Magnetics, Inc.™

Magnetic Separators for ferrous and non-ferrous metal. Ceramic and Rare Earth Magnets, Electro and Permanent Overhead Magnets, Eddy Current Magnets, Rectifier Magnets, and Magnetic Pulleys.

www.luxme.com

Luxme International, Ltd™

Luxme International Limited specializes in Tubular Drag Link Chain Conveyors for conveying Bulk Material, hot and cold, abrasive, granular and Powder Material for the Construction, Mining and food industries.

www.mclanahan.com

McLanahan Corporation™

A family owned company and foundry since 1835. Manufacturer of Engineered products for Hard Rock Mining Solutions provided World Wide including: Jaw Crushers, Apron Feeders, Wet and Dry Separators, Thickeners, Plate and Frame Filter Presses, Roll Crushers, Rotary Scrubbers, Rotary Screens, DDC Sizers, Feeder-Breakers and Drag Feeders. HSS Sampling System Division provides automated Cross Belt, Falling Stream, Truck/Rail Auger bulk material sampling solutions.

www.jvivibratoryequipment.com

JVI Vibratory Equipment™

CUSTOM ENGINEERED VIBRATORY PROCESS EQUIPMENT for the Mining, Power Recycling and Process Industries. Electromagnetic Electromechanical Feeders, Vibratory Screens, Grizzly, Banana, etc. Spiral Elevators, TITAN Railcar and Truck Unloading.

SALES ENGINEERS, LLC ARIZONA

ACS Valves™

ACS Valves is a manufacturer of rotary airlock valves and feeders for pneumatic conveying and bulk material-handling systems. We offer 16 different rotary valve models with over 40 different options. Quality built airlocks from light to heavy-duty, blow-through, quick clean and sanitary options available.

www.acsvalves.com

MERRICK Industries™

Weigh Belt Feeders, Loss-In-Weight Feeders, Belt Conveyor Scales, MC3 Touch Screen Process Controllers

www.merrick-inc.com

UNTHA Shredding Technologies™

One of Europe's largest shredder manufacturers, UNTHA produces the world's best shredders for reducing waste by-products and recyclable materials. UNTHA patented the four shaft shredder over thirty years ago. They also manufacture industry leading single shaft machines along with specialized machines for converting waste to alternative fuel.

www.untha.com

Formpak, Inc.™

BagPak Series (Bulk Bag Fillers), BagFlo Series (Bulk Bag Dischargers), Lifting Devices, Other Products, Live Hoppers, Education Systems, Batching Systems.

www.formpakinc.com

Advanced Detection Systems™

Metal Detectors for Food Processing, Mining Conveyors, Pipeline, Plastics, and Pharmaceutical.

www.adsdetection.com

www.Siemens.com/drives

The Siemens division of Flender drive technology is world known, for over 80 years. They build Helical, Bevel-Helical, Planetary, application and customer specific gear units. They are also the world's largest manufacturer of mechanical couplings.

The product range covers a torque range from 10 to 10,000,000 NM.

Our main product is CUSTOMER SERVICE.
If we don't carry a particular item, we can usually find the product you need or we can refer you to the appropriate party. Call us today to see how we can help you.
